

Salem Elementary School Community Council Meeting Tuesday, December 13th, 2016. Library 3:30 P.M.

Items of Business:

1.Goal #2-

We read over the goal and talked about what we do as a school to help improve student proficiency in grade level language arts concepts. All member of the SCC approved goal number two.

2.Technology Safety-

We talked about the net smart assembly and talked about what we have implemented to make sure kids are safe when using the internet.

3. Questions and Concerns-

We talked about teacher wish lists for items they are needing for their classroom. We also had some feedback about math facts.

4. Items for next month-

Goal #3, Capital Improvements
