

Salem Elementary

School Community Council Meeting

Tuesday, January 9th, 2018.

Library 3:30 P.M.

Items of Business:

1.Goal #2-

We read over the math goal number two. Salem Elementary would like the percentage of students who are performing on grade level in the 4th-6th grade to improve by 2%. We talked about how teachers at Salem Elementary are completing their second year of the CMI training and how we will use that to drive our instruction. The school will use the hire techs, technology and other materials to help us reach our goal.

2.Capital Improvement-

We talked about the school capital improvement items this year and what improvements we would like to see made. The two items that were mentioned were the tile in the bathrooms and security cameras.

3. Questions and Concerns-

There were not questions or concerns.

4. Upcoming Topics-

-Safe Walking Route, goal #3
