Tuesday October 10th, 2017

Library

3:30 P.M.

Items of Business:

1. Welcome

The committee was welcomed to a new year.

2. Area SCC Report

During the area SCC meeting the biggest item that was discussed was the bond. Members from the district talked about the input received from the survey.

3. Data

We looked over last years data and talked about Salem Elementary and how it compares to the state numbers. We looked for areas where we could improve as a school.

4. Questions and Concerns

We talked about the different drills we practice as a school and some of the things we have put it to play to make our drills more effective.
