PTO Message

September was a busy month! The school carnival was a huge success with over \$3000 raised! A special thanks to all our raffle sponsors but especially to our teachers, parents and students for their donations to the auction baskets. The book fair was a success as well. We provided our teachers with all their books on their wish lists through donations from parents and book fair profits. A HUGE THANK YOU, to all our volunteers for all our September activities. Many have asked how to be a part of the PTO this year. Even if you are unable to sign up for specific activities you can still join! It is a \$5 donation per family, and all the funds stay with our school. Contact the PTO @ salemutpto@gmail.com

School Spirit Swag

There is still time to order! A final order will be placed on October 9th. Order forms will be sent home this week. Please make checks payable to: Salem Elementary PTO

Salem Elementary Cold and Inclement Weather Procedures

With the more severe weather conditions of winter we wanted to review our procedures to both reassure and help parents and patrons prepare and plan.

- We recommend that students arrive at school no earlier than 8:30 for supervision purposes. The building will be open for students to wait for the start of class in a warm common area.
- Children should arrive at school dressed for the weather of the day so they can safely and comfortably enjoy recesses. In winter months, children should remember to bring shoes to change into from their snow boots. All healthy children will be expected to go out for recess except in extreme weather conditions (wind chill, rain, snow, etc.).
- If your child cannot participate in recess for health reasons, please send a note to this effect. If it is to be a prolonged indoor stay (longer than 3 days) please send a note from the doctor.
- Students will remain inside in extreme weather conditions such as: very cold temperatures (below 20 degrees) and wind chill, heavy rain and snowfall, unhealthy air/inversions (we check air quality daily).
- Please be considerate and safety conscious as you drop off and pick up students at school. The winter months see an increase in the number of cars. Remember to: not block the flow of traffic, use parking stalls not pull through lanes if you need to enter the building.
- In the event of a major weather event (severe storm, power outage...) The District's ParentLink system will be used to notify parents this can be in the form of an automated phone call, text, or email. For this information to reach you it is important that you keep your contact information current within the online SIS system. Information will also be posted and updated on the district web page www.nebo.edu.
- Please help us by writing your student's name in all clothing, particularly coats. Thanks!
